Re: Massachusetts Maritime Wind Turbine

Dear Mr. Webb;

In response to your request for information re: "filed" complaints about the Massachusetts Maritime Wind Turbine. To my knowledge the Town of Bourne has not received any "filed" complaints. Your request for information was forwarded to the Town Administrator, Building Inspector, Conservation Agent, and the Planning Board.

Responses received from the Town Administrator, Building Inspector and Conservation Agent indicated that during the planning/permitting phase there were several concerns voiced. Nonetheless, once the wind turbine was up and operating no complaints were filed, in fact, the Town received a few positive responses.

Sincerely,

Coreen V. Moore
